Configured Spacial 18500 monobloc enclosure

TO ASSIST WITH MACHINING

For a quicker assessment, please indicate your cut-outs on the different sides, and then fax the schematic diagram to your SAREL sales office. The DXF schematic diagrams are necessary to do your configurations with cut-outs.

DRILLINGS

ON THE DOOR
QTY.

ON THE BODY
QTY.

Download the configurator sheets and DXF diagrams on our website www.sarelenclosures.com
Send it back to our SAREL office indicating your changes.
This is necessary when placing an order to be able to enjoy the configured extension.

If you have any other needs or constraints, please consult us.
SAREL also has a specific offer that can respond to your needs.
